Administrative Services Long stated the Board adopted Resolution R23-28 which adopted the final budget for fiscal year beginning July 1, 2023 and ending June 30, 2024. Staff requests to amend the 23/24 budget because activities occurring during the fiscal year have caused deviations from the final budget approved by Resolution 28-23. These expenditures have been approved by the Board of Directors and are within authorized spending limits. Administrative Services Long went into detail with all the increases and decreases pertaining to the budget. It was noted that there was an error in the Resolution in regard to the fiscal year and the year on the resolution date being incorrect. Director Nelson motioned to adopt Resolution R24-06, amending the 23/24 Budget with the corrections to the fiscal year date on the resolution and the year on the resolution date. Staff discussed to RFP for a new auditor with it only being for a year due to the potential for reorganization. We reached out and discussed with Fechter on their availability to do a 5<sup>th</sup> year for our district. Ms. Berry, with Fechter & Company, stated how few auditors are taking on new clients without substantial costs due to the information and time requirements. The cost to use Fechter & Company for the audit is \$17,250.00. Director Slade-Troutman motioned to enter into an agreement with Fechter & Company to complete the district's 2023/2024 fiscal year audit. Director Dorland seconded. **MOTION** passed unanimously following a roll call vote, with Director Carrington and Director Garrett absent.

### 6. <u>Discussion and Possible Action, Surplus Station 83.</u>

Division Chief Sullivan stated the annual maintenance, insurance cost and limited operational necessity of Station 83 is a net deficit on the district. There is a full response from Station 84 that covers that area, plus a fiscal need to streamline liabilities, facilities and finances; staff recommends the surplus of Station 83. This allows the sale of the property and designates Chief Robitaille or designee to notify other government entities as required by law. If no other government entities have interest, Chief Robitaille or the designee

can rezone the property and move forward with the sale of Station 83. Director Dorland motioned to deem Station 83 surplus property and authorize Fire Chief Robitaille, or designee, to move forward with the surplus property if no other government entities have any interest, obtain a broker, list the property for sale and negotiate the price with the prospective buyer. Director Hall seconded. **MOTION** passed unanimously following a roll call vote, with Director Carrington and Director Garrett absent.

Re: Update on Municipal Service Review and Sphere of Influence Project

Dear SR,

After conducting our stakeholder interviews and facility visits at the end of March, and having worked through some of the more important elements of the report, we are ready to provide you with a snapshot of where we believe our findings and recommendations are leading.

Without going into too much detail and with the understanding that these are preliminary in nature, the following list generally represents the state of the local government fire service in Nevada County and our thoughts on a direction for the next 5-year MSR cycle.

- All the Fire agencies in Nevada County are working very well together, and relationships and cooperation are continuing to strengthen.
- All the fire districts are struggling financially. This is a common theme across California's fire districts that is especially acute among rural fire districts. A sharp decline in the availability of volunteers and steep increases in the costs of personnel, goods, and services have costs rising much faster than revenue.
- Many of the fire districts in Nevada County have received voter approval for supplemental assessments, but the funds derived are not sufficient to keep pace with rising costs.
- Fire district funding is uneven and inequitable, both in terms of supplemental
  assessments and in base property tax funding. The inequity in the distribution of
  property tax revenue has led to disparity in assessments; the result is property
  owners across the unincorporated areas contributing wildly differing amounts to
  fund fire services.
- These funding challenges directly lead to a fire service that is significantly understaffed in the unincorporated areas. 2-person crews are the norm; the commonly accepted industry standard is a 3-person engine company.
- The fire agencies, including the Grass Valley Fire Department, have become as efficient as possible given the resources available to them. There is not much more that the fire agencies can do to make the existing system more effective.
- In speaking with the Fire Chiefs and elected and appointed officials, it appears that
  western Nevada County is ready for a consolidation of the core-area fire districts.
  We will recommend that the Nevada County Consolidated, Penn Valley, Rough and
  Ready, and Ophir Hill fire districts reorganize into a single fire district as soon as
  practical. We will further recommend that the Peardale-Chicago Park Fire District

- join with the consolidated district sometime within the 5-year MSR cycle, when the timing is appropriate.
- In conjunction with the consolidation of the fire districts, we recommend that the property tax allocation be increased and equalized, and that a single, consistent supplemental assessment be put before the voters, such that the funding available would provide for 3-person engine crews at least at key fire stations. We recognize that 3-person crews may not be achievable at all stations in the short-term, but there should be a community-wide goal to get there.

We at AP Triton appreciate the opportunity to serve Nevada County LAFCO and the local fire agencies. We hope to have a draft report available soon, but in the meantime, we trust this synopsis will help focus the discussions currently ongoing regarding the Nevada County fire service.

Please feel free to contact me if you have any questions.

To: NCCFD Board of Directors

From: Tricia Bush, Administrative Services Assistant through Fire Chief Robitaille

Subject: November 5, 2024 General District Election

Date: May 10, 2024

### **BACKGROUND**

Due to the expiring terms of four District Board members, the Nevada County Elections Department has sent a memo with instructions for documents that must be processed to get ready for the November 5, 2024 General Election. The documents are state-mandated and required to "consolidate "our election of elective offices with the other agencies' elective offices that may need to be placed on the General Election ballot in November.

### **ACTION REQUIRED**

The Board is required to determine if

- 1. The District or the candidates must pay for their candidate's statement; and
- 2. The candidate's statement should be limited to 200 or 400 words.

Please note that, in the past, the NCCFD Board has chosen to have the candidate pay the cost and has limited the statement to 200 words.

After the Board decides the above, the Board adopts a Resolution reporting their decision. Resolution R24-09 is included in the Board Packet for this purpose.

### **NOTICE OF DISTRICT ELECTION**

The Notice includes the above information as well as the following information about the elective offices (Long = 4-Year Term; Short = 2-Year Term):

<u>Title of Office</u>	Name of Incumbent	<u>Length of Term</u>
Director	Patricia Nelson	Long
Director	Marianne Slade-Troutman	Long
Director	Tom Carrington	Long
Director	Spencer Garrett	Long

### **CANDIDATE FILING DEADLINE**

Please note the following important deadlines and instructions for the Candidates listed above:

- Candidate Filing begins Monday, July 15, 2024 and ends Friday, August 9, 2024 at 5:00 p.m.
- ➤ If the incumbent does not seek re-election, the filing period is extended through Wednesday, August 14, 2024 at 5:00 p.m.
- All candidates file with the Nevada County Elections Office.
- ➤ To avoid more than one visit to the Elections Office in Nevada City, candidates who choose to have a Candidate's Statement published in the Sample Ballot Booklet should submit their Candidate's Statement when they file their nomination documents.
